CHAPTER I GENERAL PROVISIONS

Article 1 (Purpose)

CHAPTER I GENERAL PROVISIONS The purpose of this Ordinance is to prescribe matters delegated by the National Land Planning and Utilization Act, the Enforcement Decree thereof, the Enforcement Rules thereof and other related Acts and subordinate statutes as well as those necessary for the enforcement thereof. <Amended by Ordinance No. 4666, Jul. 30, 2008; Ordinance No. 5755, Oct. 20, 2014>

Article 2 (Fundamental Direction of Urban Planning and Management)

The fundamental direction of urban planning and management of the Seoul Metropolitan Government (hereinafter referred to as "Seoul Government") is to ensure the environment-friendly and sustainable development and management of Seoul as well as the balanced development between regions on the basis of basic principles provided for in Article 3 of the National Land Planning and Utilization Act (hereinafter referred to as the "Act"). <Amended by Ordinance No. 4666, Jul. 30, 2008>

CHAPTER II METROPOLITAN PLANNING AND FUNDAMENTAL URBAN PLANNING

Article 3 (Holding of Public Hearing, Procedures therefor, and so on)

CHAPTER II METROPOLITAN PLANNING AND FUNDAMENTAL URBAN PLANNING (1) If the Mayor of the Seoul Metropolitan Government (hereinafter referred to as the "Mayor") holds a public hearing to develop or modify the metropolitan planning under Article 12 (4) of the Enforcement Decree of the National Land Planning and Utilization Act (hereinafter referred to as the "Decree"), the Mayor may require any person who presides over the public hearing to present his/her opinion after examining those opinions which are presented by residents, related experts and so on. <Amended by Ordinance No. 4666, Jul. 30, 2008>

(2) The Mayor may pay allowances to the person who presides over a public hearing, related experts who participate in the public hearing and so on, to such an extent as the relevant budget permits. <Amended by Ordinance No. 4666, Jul. 30, 2008>

(3) The provisions of paragraphs (1) and (2) shall apply mutatis mutandis in cases of holding a public hearing to develop or modify the fundamental urban planning of the Seoul Metropolitan Government (hereinafter referred to as "fundamental urban planning of Seoul") under Article 18 of the Act. <Amended by Ordinance No. 4666, Jul. 30, 2008>

Article 4 (Establishment of Fundamental Urban Planning)

(1) The Mayor shall develop a fundamental urban planning of Seoul for zones which fall within his/her jurisdiction under Article 18 (1) of the Act. <Amended by Ordinance No. 4666, Jul. 30, 2008>

(2) The Mayor may have the heads of Gus submit such draft plans for zones within their jurisdiction as related to the establishment

or modification of the fundamental urban planning of Seoul.

(3) The urban management planning and any other planning related to urban development and management developed by the Mayor shall be conformed to the fundamental urban planning of Seoul. <Amended by Ordinance No. 4666, Jul. 30, 2008>

(4) The Mayor may include the existent circumstances of urban ecology in the contents of basic investigation necessary for the establishment of the sustainable fundamental urban planning of Seoul.

(5) When the Mayor develops a fundamental urban planning, he/she shall endeavor to ensure that the planning takes into consideration the positions of various organizations based on the principle of equality of gender, class, race and region. <Newly Inserted by Ordinance No. 5755, Oct. 20, 2014>

Article 5 (Advice, etc. on Fundamental Urban Planning)

In order to rationally formulate the fundamental urban planning of Seoul, the Mayor may request any related expert to give advice.

CHAPTER III DRAFTING OF URBAN MANAGEMENT PLANNING

Article 6 (Procedures, etc. for Dealing with Written Proposal)

CHAPTER III DRAFTING OF URBAN MANAGEMENT PLANNING(1) Any person who intends to propose the drafting of an urban management planning under Article 26 (1) of the Act shall present the Mayor a written proposal together with such documents falling under the following subparagraphs as prepared pursuant to Article 25 (2) of the Act and Article 18 of the Decree: <Amended by Ordinance No. 4666, Jul. 30, 2008>

1. Urban management planning books (planning papers and planning records);
2. Written planning explanations (including the results of basic investigation, the methods of raising financial resources, scenery planning, the results of examining any environmental impact, the results of examining any traffic impact, and the evaluation of land fitness under Article 13 of the Act);
3. Other documents verifying the propriety of any drafting of the urban management planning.

(2) The Mayor who has received a written proposal of the drafting of the urban management planning under paragraph (1) above shall examine the matters that fall under the following subparagraphs: <Amended by Ordinance No. 4666, Jul. 30, 2008>

1. Whether or not the contents of basic investigation are appropriate;
2. Whether or not there exists any possibility of impairing natural environment and living environment;
3. Whether or not population problems and traffic problems will be aggravated;
4. Whether or not the establishment, maintenance and improvement of urban planning facilities are appropriate;
5. Whether or not the designation of specific-use areas, specific-use districts and specific-use zones is appropriate;
6. Whether or not both the designation of district-unit planning zones and the district-unit planning are appropriate;
7. Whether or not there exists any possibility of impairing the urban ecosystem;
8. Other necessary matters concerning the urban management planning.

(3) With respect to any proposal made by any resident and not accompanied or incompletely accompanied with those documents falling under any subparagraph of paragraph (1), the Mayor may request the resident concerned to supplement that proposal. <Amended by Ordinance No. 4666, Jul. 30, 2008>

Article 7 (Hearing of Opinions of Residents at the Time of Drafting of Urban Management Planning)

(1) If the Mayor intends to hear residents' opinions on the drafting of an urban management planning under Article 28 (3) and (4) of the Act, he/she shall publicly announce the major contents of the draft urban management planning in two or more daily newspapers which are distributed primarily in Seoul and on the home pages on the Internet of a drafting agency and Seoul Government and publish such contents on a bulletin board or in an official gazette to make the said draft urban management planning available to the public for at least 14 days: Provided, That in cases of the drafting of planning for the establishment, maintenance or improvement of infrastructure or planning for urban development or improvement projects, matters concerning hearing of opinions may be notified to the owner of a relevant building or land who is listed in the register (including tenants) by mail, etc. <Amended by Ordinance No. 4433, Oct. 4, 2006; Ordinance No. 4666, Jul. 30, 2008; Ordinance No. 5098, May 26, 2011; Ordinance No. 5349, Jul. 30, 2012>

(2) Any person, who has an opinion on the details of any such draft urban management planning publicly announced under paragraph (1), may present a written opinion to the Mayor within any inspection period as fixed under the said paragraph. <Amended by Ordinance No. 4666, Jul. 30, 2008>

(3) The Mayor shall examine whether or not to reflect the opinion presented under paragraph (2) in the drafting of the urban management planning within 60 days after the expiration of the inspection period and notify the person who presents that opinion of the results of such examination. <Amended by Ordinance No. 4666, Jul. 30, 2008>

(4) If the Mayor intends to reflect the opinion presented under paragraph (2) in the draft urban management planning, he/she shall, when the contents of such opinion are any modification of matters which do not fall under any subparagraph of Article 25 (3) and (4) of the Decree, publicly re-announce those contents, allow the public to inspect them and hear the opinions of residents thereon.

<Amended by Ordinance No. 4666, Jul. 30, 2008>

(5) The provisions of paragraphs (1) through (3) shall apply mutatis mutandis to such re-announcement and re-inspection as provided for in paragraph (4). <Amended by Ordinance No. 4666, Jul. 30, 2008>

Article 19-3 (Establishment of District-unit Planning for Large Facility-Transferred Place, etc.)

(1) An area with poor infrastructure in the competent Si/Gun/Gu referred to in Article 42-2 (2) 13 and 14 of the Decree means any of the following:

1. A scenery district, fine view district, conservation district, settlement district and development promotion district among specific-use districts or a development-restricted zone and city natural park zone among specific-use zones;
2. A district-unit planning zone, a maintenance and improvement zone under the Act on the Maintenance and Improvement of Urban Areas and Dwelling Conditions for Residents, and a readjustment promotion zone under the Special Act on the Promotion of Urban Renewal;
3. An area with insufficient infrastructure support for which is deemed necessary by the Urban Planning Committee of the Seoul Government, from among areas which do not fall under subparagraph 1 or 2.

(2) The details of the installation of infrastructure, a method of the computation of expenses incurred in installing infrastructure and specific standards for operation under Article 42-2 (2) 15 of the Decree shall be as follows:

1. Specific development plans following modifications to the urban management planning, the installation and provision of infrastructure thereunder or the provision of expenses incurred in installing infrastructure (hereinafter referred to as "public contribution") shall be determined based on consultations, only after prior consultation is made with a person who has the right to decide the urban management planning and after such consultation is recognized;
2. The details of public contribution shall be determined within the scope of increases in the land value appraised before and after modifications are made to the urban management planning;
3. Article 19-2 (Method for Calculating Installation Costs of Public Facilities and Site Value) shall apply to the computation of

expenses incurred in installing infrastructure, among the details of public contribution;

4. Matters necessary for enforcement, such as prior consultation referred to in subparagraph 1 and the details of public contribution referred to in subparagraph 2, may be separately determined by the Mayor.

(3) The Mayor may establish funds to efficiently manage the installation expenses for infrastructure under Article 42-2 (2) 13 of the Decree, and such funds shall be used for the following purposes:

1. Working expenses for installing infrastructure in an area with poor infrastructure;
2. Expenses for management of administrative affairs and other incidental expenses incurred in carrying out infrastructure business;
