 - (c) Where a lot is divided into not less than two lots after land is decided as a park, it shall be deemed one lot regardless of the number of lots after the division;
4. Where not less than two park management agencies manage a park when a temporary building pursuant to subparagraph 10 of Article 22 of the Decree is built, the gross area shall be less than 200 square meters per park management agency;
5. In cases of rebuilding, reconstruction, enlargement or a large-scale repair of an existing building or existing structure pursuant to subparagraph 14 of Article 22 of the Decree, the following shall apply:
 - (a) It shall be limited to a building already built under a permit according to the relevant Acts and subordinate statutes, such as the Building Act, etc., before the relevant park is determined or on which a certificate of inspection of the completion has been issued according to the Special Measures for Readjustment of Specific Buildings Act, and which is a compliant building registered in the building register and a building annexed thereto, and a structure built according to other Acts and subordinate statutes;
 - (b) Expansion of a building shall be of a building referred to in item (a) and shall be in accordance with the Building Act, and the scale of expansion shall be less than the gross area of the building registered in the building register;
 - (c) It shall exclude cases where an existing single building is divided into not less than two buildings or cases where not less than two existing buildings are annexed: Provided, That for division or annexation not accompanied by a new site development in the same site, even though a building is divided or annexed, cases where a building is used for the purpose before the division or annexation shall be excluded;
 - (d) It shall be limited to cases where an access road, water and sewage and other incidental facilities are not required owing to permission to occupy and use, such as a building which requires the development of a new site or a house isolated from any neighboring village, etc.;
6. A storage yard for construction equipment and materials pursuant to subparagraph 15 of Article 22 of the Decree shall occupy the least area necessary for construction.

(2) A permit to occupy and use referred to in paragraph (1) shall meet the following requirements: <Amended by Ordinance No. 4722, Jan. 8, 2009>

1. Where independent facilities are built underground, and a part of entrance, ventilation opening, or other incidental facilities required to be built is protruded on the ground, its size shall be minimized and landscaping shall be done, such as covering with earth, planting of trees, etc., and it shall match the surrounding scenery;
2. The facilities shall not cause environmental pollution, such as excessive discharge of sewage, waste water and exhaust gas;
3. Deleted. <by Ordinance No. 4722, Jan. 8, 2009>
4. In cases of a temporary building, it shall be limited to cases where construction of a new access road is not required owing to permission to occupy and use;
5. It shall not violate the related Acts and subordinate statutes, such as the Building Act, etc.

Article 11 (Greenbelts Subject to Permission to Occupy and Use)

(1) Greenbelts for which a permit to occupy and use may be issued pursuant to Article 38 of the Act shall be as follows: <Amended by Ordinance No. 4722, Jan. 8, 2009>

1. A greenbelt the creation of which is completed (where part of the creation is completed, referring to the part completed) according to an urban planning project or other Acts;

2. A greenbelt not included in the first phase implementation plan pursuant to Article 85 of the National Land Planning and Utilization Act;
3. A greenbelt for which an implementation plan by phase shall be formulated pursuant to Article 85 of the National Land Planning and Utilization Act and for which two years have passed from the date of determination of urban management planning without formulation of the plan as of the date of application for a permit to occupy and use;
4. Notwithstanding subparagraphs 1 through 3, a permit to occupy and use may be issued for building another urban planning infrastructure determined overlapping with a greenbelt pursuant to Article 3 of the Rules on Decision, Structure and Building Standards of Urban Planning Infrastructure.

Article 12 (Detailed Standards for Permission to Occupy and Use Greenbelts)

Standards for permission to occupy and use land in greenbelts pursuant to Article 38 of the Act shall be as follows: <Amended by Ordinance No. 4722, Jan. 8, 2009; Ordinance No. 5004, Jul. 15, 2010>

1. The requirements referred to in Article 10 (1) 1 through 3, 5 and 6 shall be met;
2. An access road crossing a greenbelt pursuant to subparagraph 3 of Article 43 of the Decree:
 - (a) Where a person intends to occupy and use a greenbelt to use as a road, a greenbelt management agency shall not permit such occupation and use: Provided, That this shall not apply to cases falling under item (b);
 - (b) Where the inside road has already been determined by urban planning, it shall be limited to a period until the road is opened;
 - (c) In principle, an access road shall not exceed eight meters in width in principle, however, where a wider road is required, a greenbelt management agency shall give permission to occupy and use it as a road (referring to a road under the National Land Planning and Utilization Act and the Private Road Act) pursuant to subparagraph 3 of Article 22 of the Decree;
 - (d) The shortest distance between access roads crossing a greenbelt on the roadside shall be at least 250 meters: Provided, That this shall not apply to cases where it is necessary to separate an entrance and exit because it is unavoidable under local circumstances or required for smooth traffic flow;
 - (e) A greenbelt management agency shall not permit an access road in a greenbelt on the side of a motorcar road or detour: Provided, That this shall not apply to cases where its necessity is recognized because opening of an access road does not hinder the function of a greenbelt and remarkably decreases surrounding traffic congestion, and a greenbelt management agency has consulted about the access road with a road management agency;
 - (f) Where it is inevitable to permanently use a road built according to the proviso to item (e), a greenbelt management agency shall permit to occupy and use as a road pursuant to subparagraph 3 of Article 22 of the Decree;
 - (g) Where a greenbelt management agency intends to give permission to occupy and use a greenbelt on the side of the railroad, it shall consult with the manager of a railroad protection zone pursuant to Article 63 of the Enforcement Decree of the Railroad Safety Act;
 - (h) In cases of a greenbelt on the side of an industrial complex, a greenbelt management agency shall permit to build an urban planning road according to a street network in the industrial complex and shall not permit an access road by individual factory;
 - (i) Where land the land category of which according to the Cadastral Act is a site becomes land with no sides abutting on the public way owing to determination of a greenbelt, a greenbelt management agency shall give permission to occupy and use after planning the inside road in consideration of local conditions of the land or give permission to occupy and use as a road pursuant to subparagraph 3 of Article 22 of the Decree.
3. In case of a storage yard of construction equipment and materials pursuant to subparagraphs 5 and 6 of Article 43 of the Decree, where a greenbelt management agency implements greenbelt creation construction work and construction of facilities which cause placement of the relevant greenbelt (a road, railroad, etc.), and it is inevitable to build a temporary building for construction in a greenbelt not yet created, it shall manage the same as a temporary building pursuant to Article 15 (5) 3 of the Enforcement Decree of the Building Act.

Article 13 (Period of Permission to Occupy and Use)

- (1) Where a park management agency or greenbelt management agency issue a permit to occupy and use a park or greenbelt, a period of permission to occupy and use shall be determined in consideration of occupying and using facilities, an implementation period of a park and greenbelt creation project, etc., and where no period of permission to occupy and use is prescribed, it shall not exceed three years. <Amended by Ordinance No. 4722, Jan. 8, 2009>
- (2) A period for existence of a temporary building in the short-term or temporary structure in the short-term built for a sports event, assembly, exhibition, exposition, performance referred to in subparagraph 10 of attached Table 1 to Article 23 of the Decree shall be as follows: <Amended by Ordinance No. 4722, Jan. 8, 2009>
 1. Not more than two months in cases of a sports event or assembly;
 2. Not more than one year in cases of an exhibition, exposition or performance.
- (3) Where a person who has obtained a permit to occupy and use a park or greenbelt intends to obtain the extension of the relevant period of occupation and use after the period of occupation and use expires, he/she shall apply for extension of the period

to a park management agency or greenbelt management agency 30 days prior to the expiration of the period. In such cases, a park management agency or greenbelt management agency may extend the period within the extent that the extension of the period of occupation and use does not hinder the management and operation of the relevant park or greenbelt facilities. <Amended by Ordinance No. 5004, Jul. 15, 2010>

Article 14 (Management of Objects Occupied and Used)

(1) Where a park management agency or greenbelt management agency issues a permit to occupy and use a park or greenbelt, it shall ascertain whether the details of such permit is properly implemented and, if necessary, may request a person permitted to occupy and use to make a boundary survey. <Amended by Ordinance No. 4722, Jan. 8, 2009>

(2) Where a park management agency or greenbelt management agency issues a permit to occupy and use a park or greenbelt, it shall prepare and manage the management book of permits to occupy and use in which the purpose of occupation and use, a period of a permit to occupy and use, the area and objects occupied and used, etc. are mentioned. <Amended by Ordinance No. 4722, Jan. 8, 2009>

Article 15 (Park Admission Fees and User Fees)

(1) An admission fee to a park and a user fee for the use of a park and facilities falling under Article 46 of the Decree shall be respectively prescribed by municipal rules within the limits of Annex 1 and 2, in consideration of cost accounting, the rate of inflation, etc. <Amended by Ordinance No. 4722, Jan. 8, 2009; Ordinance No. 5004, Jul. 15, 2010; Ordinance No. 5107, Jul. 28, 2011>

(2) Where a trustee intends to receive a user fee for the use of park facilities, he/she shall report thereon to the relevant park management agency before the implementation thereof, and detailed matters related thereto shall be as prescribed by municipal rules. Where the park management agency deems that a user fee reported by the trustee is unreasonable, it may adjust such user fee. <Amended by Ordinance No. 4654, Jul. 30, 2008; Ordinance No. 5107, Jul. 28, 2011>

(3) An admission fee to a park and user fee for the use of the park may be paid in foreign currency and by credit card in order to vitalize the use of a park. In such cases, the applicable exchange rate shall be the final purchase price in cash on the preceding day by a bank which is the treasury of Seoul Metropolitan Government, and where there is change, a fraction below 10 won shall not be calculated. <Amended by Ordinance No. 4722, Jan. 8, 2009; Ordinance No. 5107, Jul. 28, 2011>

(4) Where a person uses park facilities for up to three months, he/she shall deposit a warranty bond (less than 15 percent of a user fee for the use of facilities), a warranty bond shall be returned within 15 days from the date park facilities are reinstated, excluding the expenses incurred. <Newly Inserted by Ordinance No. 4917, Jan. 7, 2010>

Article 16 (Rental Fees of Park facilities)

In principle, a rental fee shall be calculated and collected by appraised value, cost accounting service, etc., and where a trustee is selected by general competition bidding, etc., the value of the successful bid the estimated price of which is the appraised value or the price by cost accounting service shall be collected as a rental fee: Provided, That in cases falling under any of the following subparagraphs, a rental fee shall be exempted and facilities maintenance cost, etc. may be subsidized within budget limits: <Amended by Ordinance No. 4722, Jan. 8, 2009>

1. Where a park management agency entrusts the management of a park opening after vesting free of charge pursuant to Article 99 of the National Land Planning and Utilization Act to its relative;
2. Where a park management agency entrusts the management and operation of a park or park facilities generating no revenues to a non-profit corporation or organization;
3. Where a park management agency entrusts a memorial hall of patriotic martyrs for the country and patriots and its related facilities pursuant to Article 4 of the Act on the Honorable Treatment of Persons of Distinguished Services to Independence to an organization which has donated them;
4. Where the Mayor deems it necessary for efficient management and operation of a park or park facilities.

Article 17 (Fee for Occupation and Use)

A person who obtains a permit to occupy and use a park or greenbelt (hereinafter referred to as "occupant") shall pay a fee for occupation and use referred to in attached Table 3.

Article 18 (Calculation Standards and Methods of Payment of Fees)

(1) An admission fee or fee for occupation and use shall be paid on a notice for payment issued by a park management agency or greenbelt management agency or by method of purchasing an admission ticket: Provided, That a fee for use of video recording, photography, or a playground among fees for use of park facilities may be paid by means of revenue stamp meter of a park

management agency or greenbelt management agency, credit cards, or with electronic currency and electronic settlement of accounts making use of information and communication network. <Amended by Ordinance No. 4722, Jan. 8, 2009; Ordinance No. 4967, Apr. 22, 2010; Ordinance No. 5554, Aug. 1, 2013>

(2) In principle, a rental fee of park facilities pursuant to Article 16 shall be calculated in the total amount of the period of entrustment, and where it is necessary to calculate in installments, it shall be calculated according to the following subparagraphs: <Amended by Ordinance No. 4722, Jan. 8, 2009>

1. On a yearly basis: the yearly amount \times the number of years entrusted;
2. On a monthly basis: the yearly amount \times the number of months entrusted / 12;
3. On a daily basis: the yearly amount \times the number of days entrusted / 365.

(3) A fee for occupation and use pursuant to Article 17 shall be calculated and imposed as a yearly amount each year. In such cases, where the period of occupation and use is less than one year, a fee for occupation and use shall be calculated according to the following subparagraphs: <Amended by Ordinance No. 4722, Jan. 8, 2009>

1. On a monthly basis: the yearly amount \times the number of months occupied and used / 12;
2. On a daily basis: the yearly amount \times the number of days occupied and used / 365.

(4) Methods of payment of a rental fee and fee for occupation and use shall be as follows: <Amended by Ordinance No. 4722, Jan. 8, 2009>

1. Where the period of management in trust and occupation and use does not exceed one year, when a park management agency or greenbelt management agency entrusts the management or issues a permit to occupy and use (hereinafter in this paragraph referred to as "permission"), the amount calculated at the time of permission regarded as the base date of calculation shall be paid in full before the date of commencement of occupation and use;
2.
