CHAPTER GENERAL PROVISIONS

Article 1 (Purpose)

CHAPTER GENERAL PROVISIONS The purpose of this Ordinance is to provide for matters delegated by the Act on the Maintenance and Improvement of Urban Areas and Dwelling Conditions for Residents and by the Enforcement Decree and the Enforcement Rules of the aforesaid Act and other matters necessary for the enforcement thereof. <Amended on Dec. 26, 2007; Jul. 30, 2009>

Article 2 (Definitions)

The terms used in this Ordinance shall have the same meanings as defined in the subparagraphs of Article 2 of the Act on the Maintenance and Improvement of Urban Areas and Dwelling Conditions for Residents (hereinafter referred to as the "Act"), and other terms shall be defined as follows: <Amended on Dec. 26, 2007; Jul. 30, 2009>

1. "Existing unauthorized building" means a building erected without a permit, which falls under any of the following items:

<Amended on Sep. 30, 2008; Jul. 30, 2009>

- (a) An unauthorized building registered on the unauthorized building register as of December 31, 1981; <Amended on Jul. 30, 2009>
 - (b) An unauthorized building that appears on an aerial photograph taken at the second time in 1981; <Amended on Jul. 30, 2009>
 - (c) An unauthorized building that is confirmed by the property tax payment register or other official record to have been erected on or before December 31, 1981; <Amended on Jul. 30, 2009>
 - (d) A residential building with a floor area of not more than 85 square meters, erected practically on or before April 8, 1982, or an unauthorized building that appears on an aerial photograph taken at the first time in 1982 or that is confirmed by the property tax payment register or other official record to have been erected on or before April 8, 1982; <Amended on Jul. 30, 2009>
 - (e) A building specified by an association's articles of association, among unauthorized buildings under Article 5 of the Addenda to the Enforcement Rule of the Act on Acquisition and Compensation of Land, etc. for Public Works and Compensation (Ordinance of the Ministry of Construction and Transportation No. 344); <Newly Inserted on Nov. 5, 2004; Jul. 30, 2008; Sep. 30, 2008; Jul. 30, 2009>
2. "New unauthorized building" means an unauthorized building that is not an existing unauthorized building under subparagraph 1; <Amended on Sep. 30, 2008; Jul. 30, 2009>
3. "Base date of the plan for management and disposal" means the day on which a period set for the application for parcelling-out sale under Article 46 (1) of the Act expires; <Amended on Sep. 30, 2008; Jul. 30, 2009>
4. "Value of rights" means the gross value of a pre-existing parcel of land or other property, calculated in accordance with Article 27 (3) as of the base date of a plan for management and disposal; <Amended on Sep. 30, 2008; Jul. 30, 2009>
5. "Density of units" means the number of units of buildings erected per hectare in a rearrangement zone, which indicates the density calculated in accordance with the following standards: <Amended on Sep. 30, 2008; Jul. 30, 2009>
- (a) In cases of a collective housing building that has a structure designed for separate dwelling of each household and the ownership of which is partitioned by housing units, a unit on the floor with the greatest number of units shall be deemed one unit, and the number of units on other floors shall be excluded in the calculation; <Amended on Jul. 30, 2009; Mar. 2, 2010>
 - (b) New unauthorized buildings shall be excluded from the calculation of the number of units of buildings; <Amended on Jul. 30, 2009>
 - (c) The calculation shall be based on an area from which the area occupied by parks that remain or are completely constructed and

schools that remain in a rearranged zone are excluded; <Amended on Sep. 30, 2008; Jul. 30, 2009; Mar. 2, 2010; Jul. 15, 2010>

(d) Where a separate house or a multi-family dwelling is converted into a multi-household house after the completion of the building, the calculation shall be based on the number of units existing before the conversion, irrespective of the registration of partitioned ownership; <Amended on Sep. 30, 2008; Jul. 30, 2009>

(e) Where it is necessary to relocate an existing factory as part of a rearrangement project in a quasi-industrial area, the building site for the factory and buildings of the factory, out of the area in the rearrangement zone, shall be excluded from the calculation; <Amended on Sep. 30, 2008; Jul. 30, 2009>

(f) In cases of a non-residential building, 90 square meters of the building area shall be deemed one unit, and any figure below the decimal point shall be cut off in the calculation; <Amended on Sep. 30, 2008; Jul. 30, 2009>

6. "Change of the project implementation method" means changing the implementation method of a housing redevelopment project pursuant to Article 80 (1) of the Act or Article 14 of the Addenda to the Act; <Amended on Sep. 30, 2008; Jul. 30, 2009>

7. "Head of a houseless household" means the head of a household under subparagraph 9 of Article 2 of the Rules on Housing Supply; <Amended on Sep. 30, 2008; Jul. 30, 2009>

8. "Building without approval for use" means a building practically completed with a building permit granted pursuant to relevant Acts and subordinate statutes but with no approval for use, approval of completion, or similar; <Amended on Sep. 30, 2008; Jul. 30, 2009; Jul. 30, 2009>

9. "Non-orthogonal or narrow and long parcel of land" means a parcel of land with an area of not less than 90 square meters but in an excessively non-orthogonal or narrow and elongated shape, which is determined by the Mayor as one inappropriate in fact for a building site; <Newly Inserted on Jul. 30, 2008; Sep. 30, 2008; Jul. 30, 2009; Jul. 15, 2010>

10. "House-to-Road Ratio" means an indicator for determining whether a rearranged infrastructure under subparagraph 1 (e) of Table 1 attached and related to Article 10 (1) of the Decree is insufficient, which shall be a ratio calculated by dividing the total number of buildings on a building site abutting by four meters long or more onto a road with a width of four meters or more respectively by the total number of buildings in a rearrangement zone: Provided, That in the case of a road extended by 35 meters or more to a dead end, the width shall be six meters; <Newly Inserted on Mar. 2, 2010>

11. "Base date of determination of rights" means the day on which public notice under Article 4 (5) of the Act is given, or the day specified by the Mayor separately after the establishment of a basic plan but before the designation and public notification of a rearrangement zone in order to curb speculative investments, when houses and other buildings are supplied as part of a rearrangement project pursuant to Article 50-2 of the Act. <Newly Inserted on Jul. 15, 2010>

Article 3 (Decrepit or Substandard Buildings)

(1) The standards for the determination of decrepit or substandard buildings under Article 2 (2) 1 of the Enforcement Decree of the Act on the Maintenance and Improvement of Urban Areas and Dwelling Conditions for Residents (hereinafter referred to as the "Decree") are as follows: <Amended on Dec. 26, 2007; Sep. 30, 2008; Jul. 30, 2009>

Article 8 (Contents of Rearrangement Plan and Detailed Standards therefor)

(1) "Other matters specified by City/Do Ordinance for the smooth implementation of rearrangement projects" in Article 13 (1) 9 of the Decree refers to contents of a rearrangement plan and detailed standards for rearrangement plans. <Amended on Jul. 30, 2009; Mar. 2, 2010>

(2) Contents of a rearrangement plan refers to the following matters: <Newly Inserted on Mar. 2, 2010>

1. A plan for households or subdivisions;
2. A plan for the construction of rental housing units (applicable only to a project for the rearrangement of urban environments, where collective housing buildings are built in a general residential area, a quasi-residential area with houses, a commercial area, or a quasi-industrial area);
3. Matters concerning the development of residents' sources of income (limited to projects for the improvement of residential environments);
4. Results of the environmental review (Article 27 (2) of the National Land Planning and Utilization Act shall apply mutatis mutandis);
5. Current status of existing trees and a plan for the utilization of such trees.

(3) "Detailed standards for rearrangement plans" refers to the following matters: <Newly Inserted on Mar. 2, 2010>

1. Common provisions:

(a) In principle, no rearrangement zone shall include any existing park or greenbelt: Provided, That the foregoing shall not apply where it is necessary to restore the functions of a park or greenbelt, where necessary to repair a building in a park or greenbelt, or where necessary to improve the use of land;

(b) The plan for a rearrangement zone in which collective housing buildings shall be erected shall be established in conformity with the standards for the installation of ancillary facilities, welfare facilities, etc. under the Regulation on Housing Construction Standards;

(c) The plan for the repair and amelioration of existing buildings under Article 13 (1) 3 of the Decree shall be established separately for the maintenance, renovation, new construction after removal, removal and relocation, etc., taking into consideration of the age, specific use, structure, size, and location of buildings, whether authorized or unauthorized, and the degree of decrepit or substandard conditions;

(d) If necessary, a rearrangement zone shall be divided into subdivisions for building sites of religious institutions, building sites of welfare facilities to be parcelled out for sale, and building sites of rental housing units to be erected in the rearrangement zone;

(e) The scheduled period of the implementation of a rearrangement project under Article 4 (1) 7 of the Act shall be determined within four years from the date on which the designation of the rearrangement zone is publicly notified, taking into consideration the period that each project implementor needs for preparing an application for authorization for the implementation of the project;

2. The rearrangement plan for the project for the improvement of urban environments:

(a) In principle, the building plan shall be a multi-purpose building plan for the restoration of distinct characteristics of the rearrangement zone and the functions of the city center and shall include the following matters:

(i) A plan for the layout of buildings in accordance with the planned construction line for each district, a plan for public open spaces, a landscaping plan, a plan for the location of the main and secondary entrances of buildings in each district and the flow of pedestrians, a plan for the location of the entrances and exits of buildings for vehicles in each district and the flow of vehicles;

(ii) A skyline plan for the rearrangement zone, taking into consideration the buildings in the neighborhood;

(iii) A scenery plan for minimizing impacts on the scenic view of surroundings, if there is any cultural heritage or natural geographical feature;

(iv) A aesthetic design plan, a plan for community support facilities, a plan for the installation of public facilities, and a plan for social mixing, if rental housing units for long-term lease on a deposit basis are built;

- (2) Notwithstanding paragraph (1), a multiple number of parcelling-out sale applicants shall be deemed a single parcelling-out sale applicant in any of the following cases: <Amended on Jul. 30, 2009; Jul. 15, 2010>
1. Where a separate house or a multi-family dwelling is converted into a multi-household dwelling after the base date of the determination of rights; <Amended on Jul. 30, 2009; Jul. 15, 2010>
 2. Where several parcelling-out sale applicants belong to one household pursuant to Article 19 (1) 2 of the Act; <Amended on Jul. 30, 2009; Jul. 15, 2010>
 3. Where one house or a parcel of land is owned by several persons: Provided, That the foregoing shall not apply to a person whose share in a parcel of land that has been jointly owned since before the base date of the determination of rights reaches or exceeds 90 square meters; <Amended on Jul. 30, 2009; Jul. 15, 2010>
 4. Where one parcel of land is divided into several parcels after the base date of the determination of rights; <Amended on Jul. 30, 2009; Jul. 15, 2010>
 5. Where a parcel of land and a house that were situated within the boundaries of one building site and were owned by one and the same person are separated after the completion of the building and the parcel of land and the building are separately owned: Provided, That the foregoing shall not apply to a person who has owned a parcel of not less than 90 square meters since before the base date of the determination of rights; <Amended on Jul. 30, 2009; Jul. 15, 2010>
 6. Where a new building is built on a vacant lot, or a multi-household house or other collective housing units are built after demolishing an existing building, after the base date of the determination of rights and consequently the number of landowners increases. <Amended on Jul. 30, 2008; Jul. 30, 2009; Jul. 15, 2010>
- (3) A parcel of land that falls under any of the following subparagraphs shall not be included in the calculation of the total area of a pre-existing parcel of land under paragraph (1) 2 and the value of a right under paragraph (1) 3: <Amended on Jul. 30, 2009>
1. A parcel of land where a part of the parcel of land or a share in the joint ownership of the parcel of land is acquired after the base date of the determination of rights, if the land within the boundaries of one building site under Article 2 (1) 1 of the Building Act consists of a multiple number of parcels; <Amended on Jul. 30, 2009; Jul. 15, 2010>
 2. A parcel of land separated from a building thereon and acquired separately after the base date of the determination of rights, if the building occupies the parcel of land within the boundaries of one building site; <Amended on Jul. 30, 2009; Jul. 15, 2010>
 3. A parcel of land where a part of the parcel of land or a share in the ownership of the parcel of land is acquired after the base date of the determination of rights by dividing the parcel of land into several parts. <Amended on Jul. 30, 2009; Jul. 15, 2010>
- (4) Notwithstanding the provisions of paragraphs (1) through (3), all persons who have a substitute parcel of land designated may be deemed independent parcelling-out sale applicants respectively regardless of the area of the substitute parcel and whether the substitute parcel of land is jointly owned, if the project implementation method is changed. <Amended on Jul. 30, 2009>

Article 28 (Eligibility for Parcelling-Out Sale in Projects for Reconstruction of Separate Houses, etc.)

- (1) In order to be eligible for the parcelling-out sale of collective housing units built by a project for the reconstruction of separate houses pursuant to the proviso to Article 52 (2) 1 of the Decree, a person shall be a landowner under any of the following subparagraphs as of the base date of the management and disposal plan: <Amended on Jul. 30, 2009>
1. A person who owns a house and the land attached to the house among pre-existing buildings; <Amended on Jul. 30, 2009>
 2. A parcelling-out sale applicant, the value of whose rights reaches or exceeds the estimated amount of one collective housing unit in the minimum size for the parcelling-out sale: Provided, That the value of rights may be calculated by aggregating the values of rights held by all members of a household, if parcelling-out sale applicants are members of one and the same household; <Amended on Jul. 30, 2009; Jul. 15, 2010>
- (2) Notwithstanding paragraph (1), a multiple number of parcelling-out sale applicants shall be deemed a single parcelling-out sale applicant in any of the following cases: <Amended on Jul. 30, 2009; Jul. 15, 2010>
1. Where a separate house or a multi-family dwelling is converted into a multi-household house after the base date of the

determination of rights; <Amended on Jul. 30, 2009; Jul. 15, 2010>

2. Where a multiple number of parcelling-out sale applicants belong to one household pursuant to Article 19 (1) 2 of the Act; <Amended on Jul. 30, 2009; Jul. 15, 2010>

3. Where one house and the land attached to the house are owned by a multiple number of persons; <Amended on Jul. 30, 2009; Jul. 15, 2010>

4. Where a new building is built on a vacant lot, or a multi-household house or other collective housing units are built after demolishing an existing building, after the base date of the determination of rights, and consequently the number of landowners increases. <Amended on Jul. 30, 2009; Jul. 15, 2010>

Article 29 (Calculation of Estimated Value of Building Sites or Buildings to be Sold by Parcelling-Out Sale)

(1) The value of a building site or a building to be sold by parcelling-out sale as a result of a housing redevelopment project under Article 48 (5) 1 of the Act shall be estimated by calculating the arithmetic mean of the amounts appraised by two or more appraisers under the Public Notice of Values and Appraisal of Real Estate Act (hereinafter referred to as "appraisers"): Provided, That the following guidelines shall apply to collective housing units (including shares in the joint ownership of a building site; the same shall apply hereinafter): <Amended on Jul. 30, 2009>

1. Items that shall be added to the construction cost and the value of attached parcels of land under Article 54-2 (2) of the Decree with regard to the transfer price of redeveloped rental housing units shall be determined through negotiations in accordance with the Rule on the Calculation of the Parcelling-Out Sale Price of Collective Housing Units and Table 1 attached to the Enforcement Rule of the Rental Housing Act: Provided, That parcels of land attached to rental housing units that have been additionally built with the floor area ratio relaxed for the construction of housing units for long-term lease on a deposit basis shall be deemed donated to the transferee; <Amended on Jul. 30, 2009; Jul. 15, 2010>

2. The value of collective housing units that do not fall under subparagraph 1 shall be determined by calculating the arithmetic mean of the values appraised by two or more appraisers, based on the ground presented by the project implementor for the calculation of cost (referring to the price of building sites, construction cost, and other expenses incurred in the implementation of the project). In such cases, the opinions of two or more appraisers recommended by the competent head of Gu shall be taken into consideration. <Amended on Jul. 30, 2009>

(2) Notwithstanding paragraph (1) 1 and 2, the value of the building site of rental housing units shall be estimated in accordance with the following guidelines: <Amended on Jul. 30, 2009>

1. The state-owned or public land within a rearrangement zone shall be sold preferentially to persons who hold the preemptive right arising from the occupation of the land, and the costs of the development of building sites secured with the remaining area for rental housing shall be determined as the costs of the development of housing sites under paragraph (1) 1; <Amended on Jul. 30, 2009>

2. If the area secured in accordance with subparagraph 1 is insufficient for the building sites for rental housing units, the value of the area of state-owned or public land preferentially sold to persons who hold the preemptive right arising from the occupation of the land shall be the amount calculated by adding the costs of the development of housing sites under subparagraph 1 to the amount determined by applying the arithmetic mean of sale prices of the state-owned or public land within the rearrangement zone; <Amended on Jul. 30, 2009>

3. If the area secured in accordance with subparagraphs 1 and 2 is insufficient for building sites for rental housing units, the value of the remaining area shall be the amount calculated by adding the costs of the development of housing sites under subparagraph 1 to the amount obtained by applying the arithmetic mean unit price of previous land prices of privately owned parcels of land within the rearrangement zone. <Amended on Jul. 30, 2009>

(3) The estimated value of the building sites or buildings to be sold by parcelling-out sale as a result of an urban environment rearrangement project under Article 48 (5) 1 of the Act shall be calculated with the arithmetic mean of the values appraised by two or more appraisers: Provided, That as to construction plans, an efficiency index (referring to an index that indicates an efficiency rate that is taken into consideration in appraisal according to the location, direction, specific floor, and specific use of each unit of a building to be sold by parcelling-out sale) may be applied concurrently. <Amended on Jul. 30, 2009>

Article 30 (Guidelines for Housing Supply, etc.)

(1) The guidelines for the housing supply of a housing redevelopment project under Article 52 (1) 8 of the Decree are as follows: <Amended on Jul. 30, 2009>

1. The value of rights held by a person shall be equivalent to the sale price of the housing unit he/she intends to buy. In such cases, if the value of rights falls between the sale prices of two different housing units, the person eligible for the parcelling-out sale shall have an option to choose one of those housing units; <Amended on Jul. 30, 2009>

2. Notwithstanding subparagraph 1, if articles of association or similar expressly prescribe, housing units may be sold by parcelling-out sale in accordance with the following guidelines; <Amended on Jul. 30, 2009>

(a) Housing units in the standard national housing size may be sold to persons whose rights have a higher value than others' rights; <Amended on Jul. 30, 2009>

(b) In the case of housing units larger than the standard national housing size, if not more than 50 percent of the total number of

housing units built are to be sold by parcelling-out sale to eligible persons, up to 50 percent of housing units in each size may be sold by parcelling-out sale to persons whose rights have higher value than others' rights, but if housing units in the standard national housing size are insufficient for parcelling out sale to the eligible persons under Article 27 and thus it is required to settle in cash, additional housing units for such shortage may be supplied to persons whose rights have the higher value than other's rights; <Amended on Jul. 30, 2009>

3. If there is competition in parcelling-out sale of housing units in an identical size, such housing units shall be sold to persons whose rights have a higher value than others' rights, but if such rights have the same value, housing units shall be sold by open lot, and the specific building, floor, and unit number of each housing unit shall be determined by open lot for each size of housing units. <Amended on Jul. 30, 2009>

(2) The commercial facilities and other ancillary welfare facilities developed as part of a housing redevelopment project or an urban environment rearrangement project shall be supplied in the following order of priority as of the base date of the management and disposal plan: <Amended on Jul. 30, 2009>

1. First priority: An owner of a pre-existing building, if the specific use of the pre-existing building is the same or similar as the specific use of a building to be sold, he/she has business registration completed (including license, permit, and reporting; the same shall apply hereafter in this paragraph), and the value of his/her rights (referring to the value excluding the sale price of a collective housing unit, if he/she has bought a collective housing unit; the same shall apply hereafter in this paragraph) is not less than the estimated value of a building to be sold in the minimum unit size for the parcelling-out sale; <Amended on Jul. 30, 2009>

2. Second priority: An owner of a pre-existing building, if the specific use of the pre-existing building is the same as or similar to the specific use of a building to be sold and the value of his/her rights is not less than the estimated value of a building to be sold in the minimum unit size for the parcelling-out sale; <Amended on Jul. 30, 2009>

3. Third priority: An owner of a pre-existing building, if the specific use of the pre-existing building is the same as or similar to the specific use of a building to be sold, he/she has business registration completed, and the value of his/her rights is less than the estimated value of a building to be sold in the minimum unit size for the parcelling-out sale, but he/she has not bought a collective housing unit through the parcelling-out sale; <Amended on Jul. 30, 2009>

4. Fourth priority: An owner of a pre-existing building, if the specific use of the pre-existing building is the same as or similar to the specific use of a building to be sold and the value of his/her rights is less than the estimated value of a building to be sold in the minimum unit size for the parcelling-out sale, but he/she has not bought a collective housing unit through the parcelling-out sale; <Amended on Jul. 30, 2009>

5. Fifth priority: A person who has not bought a collective housing unit through the parcelling-out sale, if the value of his/her rights is not less than the estimated value of a building to be sold in the minimum unit size for the parcelling-out sale; <Amended on Jul. 30, 2009>

6. Sixth priority: A person who has bought a collective housing unit through the parcelling-out sale, if the value of his/her rights is not less than the estimated value of a building to be sold in the minimum unit size for the parcelling-out sale. <Amended on Jul. 30, 2009>

Article 31 (Reserved Area, etc.)

Each project implementor shall secure the reserved area under Article 48 (3) of the Act in preparation for omissions of eligible persons, errors, litigation, etc. in supplying housing units, etc. pursuant to Article 30, and the guidelines for the designation and disposition of the reserved area are as follows: <Amended on Jul. 30, 2009>

1. If persons have a right to claim preferential purchasing under Article 64 (2) of the Act, part of collective housing units not exceeding one percent of all collective housing units to be sold to landowners through parcelling-out sale pursuant to Articles 48 and 50 of the Act and part of ancillary welfare facilities, including commercial facilities, may be designated as a reserved area; <Amended on Jul. 30, 2009>

2. When a project implementor intends to designate an area as a reserved area in excess of one percent under subparagraph 1, he/she shall submit a statement of causes thereof and evidential documents therefor to the competent head of Gu for approval; <Amended on Jul. 30, 2009>

3. Each project implementor shall determine persons eligible for parcelling-out sale of the reserved area through the resolution by the general meeting, except persons who have a right to claim preferential purchasing or persons who meet the criteria for the qualification for landowners under relevant Acts, Decrees or this Ordinance; <Amended on Jul. 30, 2009>

4. Article 29 shall apply mutatis mutandis to the sale price of a reserved area; <Amended on Jul. 30, 2009>

5. If there is any remaining area left after a reserved area is disposed of pursuant to subparagraphs 1 through 4, such area shall be disposed of pursuant to Article 34. <Amended on Jul. 30, 2009>

Article 32 (Persons Excluded from Those Eligible for Housing Supply by Housing Environment Improvement Projects)

Persons who shall be excluded from housing supply in accordance with the proviso to subparagraph 2 of Table 2 attached in relation to Article 54 (1) of the Decree shall be landowners who own a parcel of land of less than 90 square meters. <Amended on Jul. 30, 2009; Jul. 15, 2010>

Article 33 (Lease Deposit and Rent for Housing Environment Improvement Projects)

As to the lease deposit and rent for the rental housing units within a residential environment improvement zone under subparagraph 1 (c) (2) of Table 3 attached in relation to Article 54 (2) of the Decree, the relevant provisions of Acts and subordinated statutes governing rental housing shall apply. <Amended on Jul. 30, 2009>

Article 34 (General Parcelling-Out Sale)

In establishing a management and disposal plan, housing units to be supplied to landowners pursuant to Article 50 (1) of the Act and building sites, except the reserved area subject to the disposition under Article 31, and buildings (hereinafter referred to as "facilities allotted in recompense for development outlay") shall be disposed of in accordance with the following guidelines:

<Amended on Jul. 30, 2009>

1. Collective housing units, among facilities allotted in recompense for development outlay, shall be sold by parcelling-out sale to the general public, as prescribed by the Rule of Housing Supply. In such cases, the supply price may be separately determined by the project implementor, taking into consideration the price determined pursuant to Article 57 of the Decree; <Amended on Jul. 30, 2009>

2. Ancillary welfare facilities for parcelling-out sale, among facilities allotted in recompense for development outlay, shall be sold at the price determined in accordance with Article 57 of the Decree, as prescribed by the Rule of Housing Supply: Provided, That if tenants (referring to tenants who have continued their business since earlier than three months before the day on which it is publicly announced that public inspection is made available for the designation of a rearrangement zone until the day on which they vacate due to authorization for the implementation of the project) wish to purchase a housing unit, housing units shall be sold preferentially to such tenants in the following order of priority: <Amended on Jul. 30, 2009>

(a) First priority: A tenant of a pre-existing building, if the specific use of the pre-existing building is the same as or similar to the specific use of a building to be sold and he/she has engaged in a business registration with business registration thereof completed; <Amended on Jul. 30, 2009>

(b) Second priority: A tenant of a pre-existing building, if the specific use of the pre-existing building is the same as or similar to the specific use of a building to be sold and he/she has engaged in a business therein; <Amended on Jul. 30, 2009>

3. Notwithstanding subparagraphs 1 and 2, if a person who owns a house demolished as a consequence of an urban planning project in a new town district (limited to a person who does not own any house other than the demolished house) wishes to buy a housing unit in a rearrangement zone in the neighborhood, the competent head of Gu shall supply a housing unit specially to such a person pursuant to Article 19 (2) of the Rule on Housing Supply. <Amended on Jul. 30, 2009>

Article 35 (Persons Eligible for Supply of Rental Housing Units of Housing Redevelopment Projects, etc.)

(1) "Persons specified by City/Do Ordinance" in subparagraph 2 (a) (4) of Table 3 attached and related to Article 54 (2) of the Decree refers to the persons under any of the following subparagraphs: <Amended on Jul. 30, 2009>

1. A tenant who is the head of a houseless household and has resided in the rearrangement zone continuously since earlier than three months before the day on which the availability of public inspection is publicly announced for the designation of a rearrangement zone under Article 11 of the Decree (referring to the day on which it is publicly announced that public inspection is made available for the change of the project implementation method, if the project implementation method is changed), based on the date recorded in the resident registration card for each household, until the day on which he/she moves out due to authorization for the implementation of the project (or moves out with permission from the competent head of Gu, if a building is demolished pursuant to Article 48-2 (2) of the Act): Provided, That tenants who reside in a new unauthorized building shall be excluded herefrom; <Amended on Jul. 30, 2009; Jul. 15, 2010>

2. A landowner eligible for the supply of a housing unit in the rearrangement zone but relinquishes his/her right to file an application for parcelling-out sale; <Amended on Jul. 30, 2009>

3. A tenant who resides in any housing redevelopment zone other than the rearrangement zone and is the head of a houseless household qualified for a rental housing unit under subparagraph 1; <Amended on Jul. 30, 2009>

4. The owner of a house demolished due to an urban planning project (excluding a rearrangement project under this Act) implemented in the neighborhood of the rearrangement zone or the head of a houseless household who resides in such a house, who is selected by the Mayor with recommendation by the competent head of Gu; <Amended on Jul. 30, 2009>

5. Other persons specified by Municipal Rules. <Amended on Jul. 30, 2009>

(2) The guidelines for the judgement on households eligible for the supply under paragraph (1) 1 are as follows: <Amended on Jul. 30, 2009>

1. A household comprised of husband and wife or lineal ascendants or descendants on the resident registration card for the household since earlier than three months before the day on which the availability of public inspection is publicly announced for the designation of a rearrangement zone until they move into a rental housing unit. A household where a divorced mother shares residence with her lineal ascendants or descendants shall be included in such cases; <Amended on Jul. 30, 2009>

2. A household that is designated by the competent head of Gu as a household headed by a minor with two or more family members recorded on the resident registration card for the household; <Amended on Jul. 30, 2009>

3. A household comprised of only two or more siblings recorded on the resident registration card for the household. In such cases, the head of the household shall be a person who is at least 30 years of age or whose income meets the criteria under Article 4 of the Income Tax Act; <Amended on Jul. 30, 2009>

4. If a household does not have a spouse or a lineal ascendant or descendant recorded on the resident registration card for the household since more than three months before the day on which the availability of public inspection is publicly announced (or the day on which a decision on the project plan is publicly notified with regard to a rearrangement zone designated on or before June 30, 1996 or the day on which the availability of public inspection is publicly announced for a change in the project implementation method, if there is a change in the project implementation method) until the household moves out, the head of the household shall be eligible for rental housing, only if he/she is at least 30 years of age or his/her income meets the criteria under Article 4 of the Income Tax Act: Provided, That residents who share residence with a householder but who are recorded as a separate household on the resident registration card shall not be eligible for rental housing, and only one rental housing unit shall be supplied, if there are several households recorded on a resident registration card as residents in one and the same house. <Amended on Jul. 30, 2009; Jul. 15, 2010>

(3) The rental housing units of a housing redevelopment project under subparagraph 2 (b) of Table 3 attached and related to Article 54 (2) of the Decree shall be supplied in the following order of priority: <Amended on Jul. 30, 2009>

1. First priority: Persons under paragraph (1) 1;
2. Second priority: Persons under paragraph (1) 2;
3. Third priority: Persons under paragraph (1) 3;
4. Fourth priority: Persons under paragraph (1) 4;
5. Fifth priority: Persons under paragraph (1) 5.

Article 36 (Rental Housing and Housing Supply through Urban Environment Rearrangement Projects, etc.)

As to the rental housing and housing supply through urban environment rearrangement projects, Articles 21 (1), 22, 23, 27, 29 (1) and (2), 30, 31, and 33 through 35 shall apply mutatis mutandis: Provided, That as to the qualification for tenants of a housing unit for long-term lease on a deposit basis, Article 54 (3) of the Decree shall apply mutatis mutandis. <Amended on Jul. 30, 2009; Mar. 2, 2010>

Article 37 (Public Notice of Completion of Construction Works)

The competent head of Gu shall, upon receipt of a notice of approval that the Korea National Housing Corporation or other project implementor has given in its discretion pursuant to the proviso to Article 55 (1) of the Decree, give public notice of the matters under the subparagraphs of Article 55 (2) of the Decree through the official bulletin of the autonomous Gu. <Amended on Jul. 30, 2009>

CHAPTER BEARING OF COSTS AND EXPENSES, ETC.

Article 38 (Subsidization for Costs and Expenses for Rearranged Infrastructure, etc.)

CHAPTER BEARING OF COSTS AND EXPENSES, ETC.(1) The Mayor may grant a full or partial subsidy to the competent head of Gu for costs and expenses for the installation of rearranged infrastructure under any of the following subparagraphs pursuant to Article 60 (2) of the Act and Article 58 of the Decree: <Amended on Jul. 30, 2009>

1. Major rearranged infrastructure to be installed in a residential environment improvement zone; <Amended on Jul. 30, 2009>
2. Motor ways under Article 61 of the Road Act, main highways and auxiliary highways under Article 3 of the Rule on the Standards for the Structure and Facilities of Roads, and parks under Article 15 of the Act on Urban Parks, Greenbelts, etc. (excluding small parks and children's parks) within a housing redevelopment zone. <Amended on Jul. 30, 2009>

(2) Pursuant to Article 63 of the Act, the Mayor may grant a partial subsidy to a project implementor for costs and expenses for the installation of rearranged infrastructure installed as part of a rearrangement project in any of the following cases: <Amended on Jul. 30, 2009>
