CHAPTER I GENERAL PROVISIONS

Article 1 (Purpose)

CHAPTER I GENERAL PROVISIONS The purpose of this Ordinance is to establish the Climate Change Fund of the Seoul Metropolitan Government in accordance with Article 142 of the Local Autonomy Act to promote reduction of greenhouse gases, the development and diffusion of new and renewable energy, efficiency in the use of energy and supply of city gas, etc., and to prescribe matters necessary for the operation and management thereof. <Amended by Ordinance No. 5404, Dec. 31, 2012; Ordinance No. 6588, Jul. 13, 2017>

Article 2 (Definitions)

The definitions of terms used in this Ordinance shall be as follows: <Amended by Ordinance No. 5586, Oct. 4, 2013; Ordinance No. 6386, Jan. 5, 2017; Ordinance No. 6588, Jul. 13, 2017>

1. The term "climate change" means change under subparagraph 7 of Article 2 of the Weather Act;
2. The term "new and renewable energy" means energy under subparagraphs 1 and 2 of Article 2 of the Act on the Promotion of the Development, Use and Diffusion of New and Renewable Energy;
3. The term "greenhouse gas" means carbon dioxide (CO₂), methane (CH₄), nitrous oxide (N₂O), hydrofluorocarbon (HFCs), perfluorocarbon (PFCs), sulfur hexafluoride (SF₆), and other substances specified in the Enforcement Decree of the Framework Act on Low Carbon, Green Growth which are in the form of gas in the atmosphere and absorb or reemit infrared radiant heat to cause a greenhouse effect;
4. The term "emission of greenhouse gases" means both direct emission of greenhouse gases, which emits, discharges, or leaks greenhouse gases generated as a consequence of human activities, and indirect emission of greenhouse gases, which discharges greenhouse gases by using electricity or heat (limited to those from a heat source generated with a fuel or electricity) supplied by another person;
5. The term "greenhouse gas emission permits" means an amount of greenhouse gas emission allowances allocated to an individual business entity producing greenhouse gases within the scope of the total amount of greenhouse gas emission allowances established pursuant to Article 5 (1) 1 the Act on the Allocation and Trading of Greenhouse-Gas Emission Permits in order to achieve the targets for the reduction of greenhouse gases under Article 42 (1) 1 of the Framework Act on Low Carbon, Green Growth;
6. The term "purchase of emission permits" means purchasing from outside the Seoul Metropolitan Government (hereinafter

referred to as the "Seoul Government") emission permits equivalent to the amount of greenhouse gases in excess of the allocated greenhouse gas emission allowances where the Seoul Government emits greenhouse gases in excess of such allocated allowances;

7. The term "sale of emission permits" means selling to outside the City the whole or part of the emission permits equivalent to the reduced amount below the allocated greenhouse gas emission allowances where the Seoul Government emits greenhouse gases below such allocated allowances.
