Article 1 (Purpose)

The purpose of this Rule is to provide for matters mandated by the Seoul Metropolitan Government Framework Ordinance on Conservation and Use of Hangang Park and other matters necessary for enforcing the Ordinance. <Amended on Aug. 1, 2019>

Article 2 (Establishment of Master Plans)

(1) Matters to be included in the master plan under Article 8 (3) of the Seoul Metropolitan Government Framework Ordinance on Conservation and Use of Hangang Park (hereinafter referred to as the "Ordinance") shall be as follows: <Amended on Aug. 1, 2019>

1. Basic objectives and directions of Hangang Park;
2. Matters concerning the conservation and restoration of the Hangang River ecosystem;
3. Plans for the installation and use of major facilities in Hangang Park;
4. Matters concerning the computation of expenses required for the implementation of projects and plans for securing financial resources therefor;
5. Matters concerning the cooperation with the related central administrative agencies and local governments;
6. Other matters necessary for upgrading Hangang Park.

(2) In establishing or modifying a master plan, the Chief Officer of the Hangang Project Headquarters of the Seoul Metropolitan Government (hereinafter referred to as the "Chief Officer") may hear the opinion of the Citizens' Hangang Committee referred to in Article 22 of the Ordinance. <Amended on Aug. 1, 2019>

Article 3 (Promulgation of White Paper)

(1) The white paper under Article 10 (1) of the Ordinance shall be promulgated no later than May of the following year.

(2) The promulgation of the white paper shall be made by publishing in the Official Gazette of the Seoul Metropolitan Government,

or posting on the website, of the Seoul Metropolitan Government, or by any other means.

Article 4 (Preparation of Facilities Management Ledger)

(1) In order to maintain the safety and functions of public facilities, the Chief Officer shall prepare and manage a facilities management ledger in a form corresponding to attached Form 1.

(2) The Chief Officer shall make a regular and occasional round of inspection on public facilities and take necessary measures, such as replacement, restoration, removal, or painting, where public facilities are damaged or destroyed.

Article 5 (Public Announcement)

Where the Chief Officer intends to select a person who will operate public facilities by entrustment or a person eligible for using, and benefiting from, public facilities (hereinafter referred to as "operator") by open competition method pursuant to Article 13 of the Ordinance, he or she shall make a public announcement thereon through a data-processing system designated and publicly notified by the Minister of the Interior and Safety. <Amended on Jan. 18, 2018>

Article 6 (Entrustment Contracts)

(1) Where the Chief Officer entrusts any person with the management and operation of public facilities or permits use of and benefiting from public facilities, he or she shall specify the following matters in the contract or the permit for use and benefiting:

1. Name and address of the operator and the period of use;
2. Affairs to be entrusted and the details thereof;
3. Matters concerning revenue and operating expenses;
4. Duties of the operator and matters to be complied with;
5. Matters concerning the safety control of facilities;
6. Other matters deemed necessary by the Chief Officer.

Article 7 (Collection of User Fees)

(1) The user fees and operation hours for public park facilities under Article 14 (1) of the Ordinance shall be as specified in attached Table 1.

(2) The user fees under paragraph (1) shall be collected at the time the application for use of the relevant public facilities is filed: Provided, That the same shall not apply where a motor vehicle is parked in parking facilities on an hourly basis.

(3) Where any person is entrusted to manage and operate public park facilities or permitted to use and benefit from them, the operator shall issue passes and collect user fees for the relevant public facilities.

Article 8 (Reduction of or Exemption from User Fees)

The extent of reduction of and exemption from user fees for public facilities under Article 14 (3) of the Ordinance shall be as specified in attached Table 2.

Article 9 (Evacuation of Facilities)

Where any entrusted or permitted facilities, etc. are likely to be lost or destroyed due to a disaster, such as a flood, the operator shall evacuate the relevant facilities, etc. to a safe place.

Article 10 (Method of Participation by Organizations and Support Therefor)

(1) If an organization under Article 16 of the Ordinance intends to perform any project (activities) for the purpose of conserving and using the Hangang River, it shall submit the relevant plan to the Chief Officer and obtain his or her approval thereof.

(2) In any of the following cases, the Chief Officer may revoke the approval:

1. Where the approval is obtained by fraud or other improper means;
2. Where the organization ceases to meet the requirements for approval;
3. Where the organization has neglected its activities specified in the plan.

(3) The Chief Officer may grant a subsidy to an organization that falls under paragraph (1) for expenses required by it within the extent of the purpose of its project (activities), and may have it refund all or part of the subsidy if the subsidy has been used for any purpose other than intended.

(4) In subsidizing any expenses required for the activities pursuant to paragraph (3), matters concerning the procedures and ex post facto management of the subsidy shall be governed by the Assistance for Non-Profit, Non-Governmental Organizations Act. <Amended on Oct. 10, 2019>

Article 11 (Prohibition of Recreational Fishing)
