CHAPTER GENERAL PROVISIONS

Article 1 (Purpose)

CHAPTER GENERAL PROVISIONS The purpose of these Rules is to prescribe matters delegated under the Seoul Metropolitan Government Ordinance on Urban Planning and matters necessary for the enforcement thereof.

Article 2 (Definitions)

The definitions of terms used in these Rules shall be as follows:

1. The term “basic floor area ratio” means the basic floor area ratio separately determined by block and lot within the extent of the floor area ratio referred to in Article 55 (1) through (4) and (16) of the Seoul Metropolitan Government Ordinance on Urban Planning (hereinafter referred to as the “Ordinance”) in consideration of locational circumstances, such as the width of the road in front, landscape, other infrastructure, etc. in an area under the Class 1 specific regional plan (hereinafter referred to as “area under the specific regional plan”); <Amended on Nov. 13, 2008>
2. The term “permitted floor area ratio” means the floor area ratio separately determined as the floor area ratio determined under the Class 1 specific regional plan (hereinafter referred to as “specific regional plan”) within the extent of the floor area ratio calculated by adding the floor area ratio provided as an incentive (the floor area ratio provided in cases where matters determined in the relevant specific regional plan are implemented, such as a lot plan, joint development to which the maximum floor area ratio is not applicable, uses of a building, vacant land in a site, elements of a green plan, parking and the flow of motor vehicle traffic, etc.) to the basic floor area ratio; <Amended on Jun. 25, 2009>
3. The term “maximum floor area ratio” means the floor area ratio separately determined within the extent of the floor area ratio calculated by adding the floor area ratio provided additionally in cases where an owner of construction provides land as a site for public facilities (limited to cases of contributed acceptance; hereinafter the same shall apply) or where joint development is designated to secure public facilities to the basic floor area ratio or permitted floor area ratio; <Amended on Nov. 13, 2008; Jun. 25, 2009>
4. The term “public facilities” means public facilities referred to in subparagraph 13 of Article 2 of the National Land Planning and

Utilization Act (hereinafter referred to as the "Act"), schools or infrastructure referred to in Article 19 (2) of the Ordinance. <Newly Inserted on Nov. 13, 2008>

CHAPTER FORMULATION OF URBAN MANAGEMENT PLAN

Article 3 (Investigation into Current Status of Urban Ecology and Method of Assessment)

CHAPTER FORMULATION OF URBAN MANAGEMENT PLAN(1) The following matters shall be included in an investigation into the current status of urban ecology pursuant to Article 4 (4) of the Ordinance:

1. The current status of the use of land;
2. The current status of impermeable (impermeable) pavement of soil;
3. The current status of existing vegetation;
4. Other matters the Mayor deems to require an investigation into the current status of urban ecology;

(2) The Seoul Metropolitan City Mayor (hereinafter referred to as the "Mayor") may separately determine the following matters to specify the details of the investigation referred to in paragraph (1) and to reflect the result of investigation in urban planning:

1. An investigation cycle;
2. A method of investigation;
3. Issue of identification cards of investigators;
4. A method of materializing a biotope (the current status of urban ecology);
5. The grade of the conservation value of a biotope (the current status of urban ecology) and a method of rating;
6. A method of the establishment of a GIS of investigated materials.

(3) Grades of assessment of types of biotope and grades of assessment of individual biotope referred to in subparagraph 1 (a) (4) of attached Table 1 of the Ordinance shall be as follows: <Newly Inserted on Apr. 29, 2010>

1. Grades of assessment of types of biotope; <Newly Inserted on Apr. 29, 2010>
 - (a) Grade 1: A type of biotope that requires the absolute conservation of the whole area subject to rating;
 - (b) Grade 2: A type of biotope that requires the preferential conservation of the whole area subject to rating;
 - (c) Grade 3: A type of biotope that requires the preferential conservation of part of an area subject to rating and restrictions on the use of land for the rest of the area;
 - (d) Grade 4: A type of biotope that requires restrictions on the use of land for part of land in an area subject to rating;
 - (e) Grade 5: A type of biotope that requires partial improvement.
 2. Grades of Assessment of individual biotope: <Newly Inserted on Apr. 29, 2010>
 - (a) Grade 1: A biotope that deserves special conservation (conservation);
 - (b) Grade 2: A biotope that deserves conservation (protection and restoration);
 - (c) Grade 3: A biotope that has limited value at present (restoration).
- (4) The Mayor shall announce the result of investigation of the current status of urban ecology made pursuant to Article 4 (4) of the Ordinance for not less than 14 days. <Newly Inserted on Apr. 29, 2010>

CHAPTER SPECIFIC REGIONAL PLAN

Article 4 (Areas Subject to Designation of Area under Specific Regional Plan)

CHAPTER SPECIFIC REGIONAL PLAN(1) The term "extent or area prescribed by the Rules" in Article 16 (2) of the Ordinance means cases where a person intends to build apartment housing subject to approval of a business plan pursuant to Article 16 (1) of the Housing Act or subject to permission for building pursuant to Article 11 (1) of the Building Act: Provided, That this shall not apply to cases falling under any of the following subparagraphs: <Amended on Nov. 13, 2008>

1. Where he/she builds apartment houses in a business area;
 2. Where less than 20 households of apartment houses are planned to be built;
 3. Where the area of a site for business (where part of a site for business is provided for public facilities, the area provided shall be excluded, and where a business area is included, the area of such a business area shall be excluded herefrom) is less than 5,000 square meters and less than 100 households of apartment houses are planned to be built (in the case of urban type living housing, less than 150 households) and in cases falling under any of the following items: <Amended on Apr. 29, 2010>
 - (a) Where a site for business is a site with no building;
 - (b) Where an existing building in a site for business meets standards of old buildings prescribed in attached Table 1.
- (2) Where an area under the specific regional plan is designated pursuant to paragraph (1), buildings in the area shall meet standards of old buildings prescribed in attached Table 1.

Article 5 (Restrictions on Building in Area under Specific Regional Plan)

(1) Where the Mayor designates an area under the specific regional plan pursuant to Article 30 of the Act and restricts permission for development pursuant to Article 63 of the Act and Article 60 of the Enforcement Decree (hereinafter referred to as the "Decree") of the same Act or permission for building pursuant to Article 18 of the Building Act before he/she determines and announces the specific regional plan so that construction meeting the specific regional plan may be materialized, the head of a Gu shall restrict permission for building. <Amended on Nov. 13, 2008>

(2) Notwithstanding paragraph (1), the Mayor or the head of a Gu may issue a permit to build a building of not less than eight stories or the total floor area of which is not less than 10,000 square meters (in the case of enlargement of a building, limited to a building of not less than eight stories or the total floor area of which is not less than 10,000 square meters by enlargement of not less than three stories) through deliberation by the Seoul Metropolitan Urban Planning Committee pursuant to Article 17 (1) of the Ordinance, and a building other than the scale subject to deliberation by the Seoul Metropolitan Urban Planning Committee through deliberation by a Gu Urban Planning Committee: <Amended on Nov. 13, 2008>

1. Building or large-scale repair of a building destroyed by a fire or natural disaster; <Amended on Nov. 13, 2008>

2. Where building or large-scale repair is required due to structural problems in a building;

3. Where it is judged that a building plan of a lot intended to be built meets the basic directions of the relevant specific regional plan and details of a specific regional plan under formulation, and infrastructure, such as a road, etc., has been secured;

4. Where building or large-scale repair of a building is required owing to the execution of a project for improvement of public facilities. <Amended on Nov. 13, 2008>

Article 6 (Height of Building in Area under Specific Regional Plan)

Where the Mayor determines the maximum height of a building under a specific regional plan pursuant to Article 52 (1) 4 of the Act, he/she may apply Article 60 of the Building Act. <Amended on Nov. 13, 2008>

Article 7 (Planning and Operation of Floor Area Ratio in Area under Specific Regional Plan)

(1) Where the Mayor formulates a specific regional plan pursuant to Articles 19 (1) and 55 (7) of the Ordinance, the applicable floor area ratio shall be as prescribed by the following subparagraphs:

1. Where an existing specific use area pursuant to Article 30 of the Decree is or has been changed (including subdivision; hereinafter the same shall apply) to a specific use area with the higher floor area ratio:

(a) The basic floor area ratio: The floor area ratio determined separately within the extent of the floor area ratio (hereinafter referred to as the "floor area ratio of a specific use area before change") pursuant to Article 55 (1) through (4) of the Ordinance of a specific use area before change; <Amended on Nov. 13, 2008>

(b) The permitted floor area ratio: Within the floor area ratio of a specific use area before change (the floor area ratio of a specific use area after change the floor area ratio of a specific use area before change) $\times 2/3$. In such cases, the term "floor area ratio of a specific use area after change" means the floor area ratio pursuant to Article 55 (1) through (4) of the Ordinance of a specific use area after change (hereinafter the same shall apply); <Amended on Nov. 13, 2008>

(c) The maximum floor area ratio: Within the permitted floor area ratio $\times (11.3 \times \text{weight} \times)$ (Provided, That where the floor area ratio of a specific use area before change is not applicable, within the extent of the floor area ratio of the relevant area pursuant to Article 55 (1) through (4) of the Ordinance) or within the basic floor area ratio $\times (11.3 \times \text{weight} \times)$. In such cases, weight means the ratio of the floor area ratio of a site provided for public facilities (in cases of not less than two specific use areas, the floor area ratio on a weighted average compared with the area) to the floor area ratio of a site for business, and means the ratio of the area provided for public facilities to the lot area after a site for public facilities is provided (hereinafter the same shall apply). <Amended on Nov. 13, 2008>

2. Where there is no change to a specific use area pursuant to Article 30 of the Decree and a specific use area is or has been changed to a specific use area of the same floor area ratio: <Amended on Nov. 13, 2008>

(a) The basic floor area ratio: The floor area ratio determined separately within the extent of the floor area ratio pursuant to Article 55 (1) through (4) and (16) of the Ordinance; <Amended on Nov. 13, 2008>

(b) The permitted floor area ratio: Within the floor area ratio pursuant to Article 55 (1) through (4) and (16) of the Ordinance; <Amended on Nov. 13, 2008>

(c) The maximum floor area ratio: Within the permitted floor area ratio $\times (11.3 \times \text{weight} \times)$ or within the basic floor area ratio $\times (11.3 \times \text{weight} \times)$. <Amended on Nov. 13, 2008>

3. Where an existing specific use area pursuant to Article 30 of the Decree is or has been changed to a specific use area with the lower floor area ratio:

(a) The basic floor area ratio: The floor area ratio determined separately within the extent of the floor area ratio of a specific use area after change;

(b) The permitted floor area ratio: Within the floor area ratio of a specific use area after change;

(c) The maximum floor area ratio: Within the permitted floor area ratio $\times (11.3 \times \text{weight} \times)$ or within the basic floor area ratio $\times (11.3 \times \text{weight} \times)$. <Amended on Nov. 13, 2008>

(2) The application of the floor area ratio in an area under a specific regional plan shall be as prescribed by the following subparagraphs:

1. The permitted floor area ratio shall be calculated by adding the floor area ratio provided as an incentive to the basic floor area ratio determined in the relevant specific regional plan but shall not exceed the permitted floor area ratio determined in the relevant specific regional plan pursuant to paragraph (1);
2. The maximum floor area ratio shall apply by adding the permitted floor area ratio $\times 1.3 \times \text{weight} \times$ determined in the relevant specific regional plan pursuant to paragraph (1) to the permitted floor area ratio calculated pursuant to subparagraph 1: Provided, That where it is prescribed to apply the floor area ratio calculated by adding the basic floor area ratio $\times 1.3 \times \text{weight} \times$ determined in the relevant specific regional plan pursuant to paragraph (1) to the basic floor area ratio determined in the relevant specific regional plan, such floor area ratio may apply. <Amended on Nov. 13, 2008>
- (3) Notwithstanding paragraph (1), standards for application of the floor area ratio in cases falling under any of the following subparagraphs shall be in accordance with the following: <Amended on Nov. 13, 2008>
 1. In cases falling under any of the following items, irrespective of change to a specific use area, paragraph (1) 2 may apply: <Amended on Nov. 13, 2008>
 - (a) Where a specific regional plan is formulated for an area designated as a prearranged area for housing site development pursuant to Article 51 (1) 5 of the Act: Provided, That this shall not apply to cases where a specific use area is changed after an execution plan pursuant to Article 9 (3) of the Housing Site Development Promotion Act has been approved and announced; <Amended on Nov. 13, 2008>
 - (b) Where a specific regional plan is formulated for an area changed to a specific use area with the higher floor area ratio among the subparagraphs of Article 30 of the Decree. In such cases, the maximum floor area ratio on a site for public facilities provided at the time a specific use area is changed to that with the higher floor area ratio shall not apply; <Amended on Nov. 13, 2008>
 - (c) Where the Mayor formulates a specific regional plan to supply long-term lease housing on a deposit basis. <Newly Inserted on Nov. 13, 2008>
 2. Where the Seoul Metropolitan Urban Planning Committee deems it specially necessary for attainment of the purpose of a specific regional plan, such as securing public facilities, etc., a method of calculation of the maximum floor area ratio may be determined separately by a specific regional plan.
